Objective

Motivated and detail-oriented Full Stack Developer seeking an opportunity to leverage my expertise in React.js, Node.js, Express.js, and MongoDB to design and develop efficient, scalable, and user-focused web applications while gaining valuable hands-on experience in real-world projects

Experience

- Meander Software Pvt. Ltd.** Aug/2025 - Nov/2025
MERN Stack Trainee
Developed and maintained full-stack web applications using React, Node.js, and MongoDB following MVC architecture. Implemented secure JWT-based authentication, role-based access control, and responsive user interfaces while collaborating in Agile teams using Git/GitHub to ensure code quality and efficient project delivery.
- Weboum Technology Private Limited** Jan/2026 - Present
MERN Stack & WordPress Trainee
Developed responsive web applications using React.js, Node.js, Express.js, and MongoDB, working on REST API integration and backend development. Created and customized WordPress websites using themes and plugins, implemented responsive UI components, enhanced user experience across devices, and collaborated with team members using Git and modern development workflows.

Education

- Baddi University of Emerging Sciences and Technology** 2022 - 2026
B tech (CSE)
7.8 CGPA

Skills

- Frontend: React js
- Backend: Node.js, Express.js
- Database: MongoDB(Mongoose ODM)
- Version Control: Git, GitHub
- Testing Tools: Postman

Projects

- AI-Powered Job Portal**
Designed and developed a full-stack role-based job portal for recruiters and candidates, implementing JWT authentication, protected routes, job posting, application tracking, and dashboard features. Built RESTful APIs and optimized MongoDB database schemas to ensure efficient performance and scalability.
- University Website**
Built a responsive university landing site with departments, courses, and academic information modules optimized for all devices.
- Dentist Clinic Website**
Built a responsive clinic site with appointment booking, services listing, and contact management focused on accessibility.
